

2019 DR Mission Prayer Partners

Even though many of us do not know each other, we will soon be good acquaintances and team members. There is a strong religious element in mission team work. Between now and the time we arrive home after the trip, please pray for your prayer partner. Pray for energy and enthusiasm, understanding and patience, servant hearts and the ability to learn from each other, safe travels and good weather. This year's prayer partners are:
