Dr. and Mrs. William Montgomery Gabard

This Christian education building is named for Dr. William Montgomery Gabard, a beloved member of Christ Episcopal Church from 1948 until his death in 2006. Born August 17, 1922 in Lewisburg, Tennessee, he graduated from Forrest High School in Chapel Hill, Tennessee, received an AB degree from the University of Tennessee, an MA degree from Northwestern University and the Ph.D from Tulane University. From 1948 to 1988, he was a member of the faculty at Valdosta State University where he served as professor and head of the history department and the founding Director of International Studies. Dr. Gabard held post-doctoral fellowships in Asian history at the following universities: Chicago, Columbia, Duke, University of North Carolina-Chapel Hill, Texas-Arlington and Osmania, India. A member of numerous scholarly and professional organizations, he was a founding member of the board of directors of the Southern Center for International Studies and The Japan-America Society in Georgia. Active in the Georgia Historical Society, he served that organization as its first non-Savannah president. He was founding president of the Lowndes County Historical Society. He was also president for 15 years of The Georgia Consortium, Inc. He was a member of SAE Fraternity, Valdosta Country Club, and the Chatham Club, Savannah. His wife, Lougenia Gillis Gabard, is also a long-time member of Christ Church.

Beyond his accomplishments in the academic world, Dr. Gabard loved children even though he and his wife never had any children. After his retirement, he often visited the Christ Church Preschool on his morning walk to visit his "babies." The children called him "Grandpa." He established the "Grandpa Fund" for the extra things for the children that the church might not be able to afford. Because of his dedication to education, the Vestry of Christ Church decided that this building, where we hope to educate children and adults in our faith, be named for Dr. Gabard.
